Welcome to Bothy Threads...

Another unsettled year has led many of us to reassess our priorities. More people have been finding their inner creativity. I know that having a stimulating hobby to focus on is a great way to relax and concentrate on producing something rewarding. Here at Bothy Threads we want to bring you the best possible kits for you to enjoy and develop your stitching skills.

It has been lovely working with my daughter Iona this year to bring you a record 133 new designs. This was only possible thanks to a fantastic 'Team Bothy' who have soldiered on despite the problems that Covid and Brexit keep throwing at us!

Thanks for all your support which has given us the confidence to start building a large extension to the 'The Bothy'. We can't wait to have more space to allow our product range to grow. I am busy working on a range of embroidery kits and am looking forward to sharing them with you.

We hope that you enjoy choosing your next project and that your hobby flourishes. As well as working with my daughter on more new designs, we hope to fit in a few more cycling trips together!
