ECO-COIR

Available in one size: 45cm x 75cm

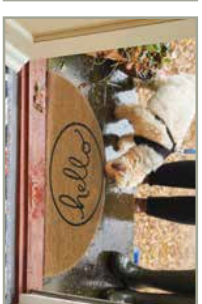

NATURAL

HARD WEARING

ECO FRIENDLY

Made with 100% natural coconut husk fibres making it eco-friendly. Unfortunately we are unable to produce these lovely mats in the UK but work closely with our trusted partners in India to make them as sustainable as possible. We have used a natural latex backing – which is made exclusively from rubber tree sap and is 100% biodegradable.

RUBBER BOOT STAND

My mat® COIR MATS

NATURAL

HARD WEARING

ECO FRIENDLY

My Coir Mat – Coir is one of nature's wonder materials. Taking full advantage of its natural, hard wearing properties, our range has plain and printed options. High quality printing makes the designs long lasting and resistant to fading.

- * Hard wearing and long lasting
- * Made with 100% natural coconut husk fibres
- * High grade coir product – less shedding and maximum longevity
- * Rot proof and moth proof
- * Fungi resistant
- * Superior scraping and moisture absorption
- * PVC backing – Non-slip, hard wearing
- * Suitable for indoor or outdoor use
- * All printed designs are extremely durable

Beautiful garden inspired designs available in 2 sizes perfect for any doorway

SHEEDING: All coir doormats are made from natural coconut fibres and may shed in the first few months of use. During this period simply brush or shake the mat to maintain its best appearance. **OUTDOOR USE:** If you are using this product outside we recommend that you place your mat in a sheltered area to avoid direct contact with water.
